ORDINANCES

Complete Code is Available online at www.peterstownship.com

BURNING: All open burning is permitted on four days per week – Wednesdays, Thursdays, Fridays, and Saturdays – and only from 9:00 a.m. – 3:00 p.m. Fires must be attended to at all times. Noxious trash burning is not permitted. No burning in the commercial or industrial districts of the township is allowed. Builders and developers must obtain permits.

DOG CONTROL: Dogs are not permitted to run at large. Dogs over three months must have a Washington County dog license. No more than two mature dogs may be kenneled outdoors in a residential district. Frequent or continued noise by barking dogs is policed by the animal control officer. Pet owners must clean up after their animals in all township parks, including the Arrowhead Trail.

PARKING: No parking is permitted on the streets between 2:00 and 6:00 a.m. Parking in cul-de-sacs is prohibited at all times. Violators are subject to a fine of up to $50. For emergency situations, contact the police department.

PROPERTY MAINTENANCE CODE: The Township has a property maintenance code to prevent and enforce maintenance issues. If you have concerns with properties not being maintained, please contact the Planning Department.

OFF-ROAD VEHICLES: All motor-driven vehicles used for off-street recreational purposes in the township must be registered at the police department. Vehicles cannot be ridden within 100 feet of a property line or where dust is visible from 50 feet away or if a property is less than 2 acres.

SNOW EMERGENCIES: During a snow emergency, no vehicle may be parked, abandoned or left unattended on any street or right-of-way.

SOLICITATION: House-to-house solicitation is not permitted without a permit from the Police Department. The permit contains the solicitor’s photo. Solicitation is prohibited if a no solicitation sign is posted.

STORM WATER ORDINANCE: It shall be unlawful for a property owner to divert and/or concentrate storm water onto an adjacent property other than into a natural watercourse, channel, storm drainage easement or public storm sewer system.

SUBDIVISION: The creation of any new lot, parcel, or shifting of lot lines requires township approval of a surveyed drawing.

WEAPONS: It is unlawful for any person to discharge any prohibited weapons in the township. Prohibited weapons shall be any weapon discharging a single missile projectile by force, including rifles, pistols, BB guns, air guns, air pistols, spring guns, crossbows, sling shots or any other weapon which impels a pellet with a force that can reasonably be expected to cause bodily harm. Hunting is, however, permitted in designated areas ONLY.

ZONING: Ordinances establish zoning districts where only certain uses are permitted and establish such criteria as height of buildings, setbacks from streets, side and rear lot lines, etc.

For more information on permits and ordinances, call the planning department at 724-942-5005.
